

In 2004. Facebook appeared, in 2006. Twitter. Viber was founded in the beginning of 2010, and Instagram in October of the same year. In 2009, the idea of organizing a music competition that took place entirely online appeared.

For the first time in the history of music competitions for pupils of schools, colleges and conservatories, as well as for participants without age restrictions, back in 2010, we combined and organized a competition for all instruments in one place (website) thanks to the Internet. Since 2010, the competition has established a strong international reputation for transparency, digital archiving, global accessibility and international academic standards.

The European Association of Music Educators and Performers & Producer Agency MIR Production, with the support of the Ministries of Culture and Communications, organizes WORLD OPEN MUSIC COMPETITION. The competition is organized by a professional association (research and educational direction). A well-coordinated team of professionals and a number of specialized consultants work in the process of organizing the competition.

WORLD OPEN ONLINE MUSIC COMPETITION is the competition with the longest tradition (since 2010). All performance videos and official results since 2010 are publicly available in the online archive at www.musiccompetition.eu

Since its establishment:

- More than 12,600 online applications have been submitted
- Over 17,600 participants from 59 countries and 860 cities have competed

- More than 1,350 music institutions have been represented
- Competitive performances have exceeded 10 million views

In 2025, a total of 590 competitors from 39 countries registered and participated on all instruments. Our site in 2025 looked at 217,323 visitors and examined 1,137,103 pages.

[The organizer distributed a prize fund for 2025 in the amount of \\$5,000 to selected contestants:](#) CAP FERRET MUSIC FESTIVAL (France), CONCOURS INTERNATIONAL LEOPOLD BELLAN (France, Paris) as well as cash prizes.

According to these indicators WORLD OPEN Online Music Competition – became leader among the international music competitions in the world. Certificates and detailed competition certificates are highly valued in many countries when applying for grants, studying at foreign universities, and building a professional portfolio for competitors, teachers, and accompanists.
